Modular Design & Versatile for application in most vehicle interiors

Quarantine's Interior Safety Divider was developed as a safety divider to provide easy interior cargo separation & securement. Our Interior Restraint System's modular design provides both Secured Setup against your back seat and Cavity Setup for easy access to larger items. The universal attachment allows the net to be installed in most vehicle interiors.

* Front extension bar can be purchased separately as a set in the Interior Bar Accessory Pack (QAB-IBA)
 ** Floor Mount Anchors sold separately (QAB-FMA)
